Strategic report

The directors present their strategic report on the company for the year ended 31 March 2015.

Principal activities, review of the business and future developments

The principal activity of the company during the year and in the foreseeable future is that of raising finance for use in the business of the Kelda Holdings Limited group.

Financial performance and outlook

During the year to 31 March 2015 the company continued to focus on delivering excellent internal services and performed in line with management expectations.

It is anticipated that the company will continue to follow the same model for the foreseeable future.

Principal risks and uncertainties

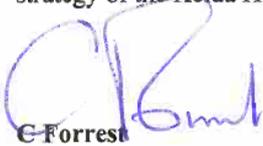

The directors do not consider there to be any material risks or uncertainties which require disclosure. The principal risks and uncertainties of the group are disclosed in the financial statements of Kelda Eurobond Co Limited.

Key performance indicators

Due to the nature of the business, disclosure of the company's key performance indicators is not considered to be necessary.

Financial risk management

Risk management relating to the finance obligations of the company is managed as part of the overall financial risk management strategy of the Kelda Holdings Limited group.

C Forrest

Director

14 July 2015

Directors' report

The directors present their annual report and audited financial statements of the company for the year ended 31 March 2015.

Results

The loss for the financial year is £521,000 (2014: £566,000).

Going concern

The directors believe that preparing the financial statements on the going concern basis is appropriate due to the continued financial support of the parent company Kelda Group Limited. The directors have received confirmation that Kelda Group Limited intend to support the company for at least one year after these financial statements are signed.

Proposed dividend

The directors do not recommend the payment of any dividend (2014: £nil).

Future developments

The directors' view on the company's future outlook is discussed in the Strategic Report on page 2.

Financial instruments

The company is exposed to interest rate, credit, liquidity and market risk in relation to financial instruments. These risks are discussed in detail in note 12 to these financial statements.

Directors

The directors listed below have served the company throughout the year and up to the date of approval of the financial statements, unless otherwise stated:

E M Barber
R Flint
S D McFarlane (resigned 31 December 2014)
C Forrest (appointed 31 December 2014)

Directors' indemnities

As permitted by the Articles of Association, the directors have the benefit of an indemnity which is a qualifying third party indemnity provision as defined by Section 234 of the Companies Act 2006. The indemnity was in force throughout the last financial year and is currently in force. The company also purchased and maintained throughout the financial year Directors' and Officers' liability insurance in respect of itself and its directors.

Disclosure of information to auditors

As at the date of this report, as far as the directors are aware, there is no relevant audit information of which the company's auditors are unaware and the directors have taken all the steps that they ought to have as directors, in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of this information.

Independent auditors

PricewaterhouseCoopers LLP were appointed auditors during the year and have indicated their willingness to continue in office. A resolution concerning their reappointment will be proposed by the directors.

By order of the board

C Forrest
Director
14 July 2015

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 101 *Reduced Disclosure Framework*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent ;
- state whether applicable UK Accounting Standards including FRS 101 have been followed, subject to any material departures disclosed and explained in the financial statements;
- notify the company's shareholders in writing about the use of disclosure exemptions, if any, of FRS 101 used in the preparation of the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent auditors' report to the members of Kelda Finance (No. 3) PLC

Report on the financial statements

Our opinion

In our opinion, Kelda Finance (No. 3) PLC's financial statements (the "financial statements"):

- give a true and fair view of the state of the company's affairs as at 31 March 2015 and of its loss for the year then ended;
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

What we have audited

Kelda Finance (No. 3) PLC's financial statements comprise:

- the balance sheet as at 31 March 2015;
- the profit and loss account for the year then ended;
- the statement of changes in equity for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 "Reduced Disclosure Framework".

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Independent auditor's report to the members of Kelda Finance (No. 3) PLC (continued)

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the Statement of directors' responsibilities set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the annual report and financial statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Notes

(forming part of the financial statements)

1 Accounting policies

Kelda Finance (No. 3) PLC (the "Company") is a private company incorporated and domiciled in the UK.

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101"). The amendments to FRS 101 (2013/14 Cycle) issued in July 2014 and effective immediately have been applied.

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

In the transition to FRS 101 from IFRS, the Company has made no measurement and recognition adjustments.

IFRS 1 grants certain exemptions from the full requirements of Adopted IFRSs in the transition period. The following exemptions have been taken in these financial statements:

- Business combinations - Business combinations that took place prior to 1 April 2013 have not been restated.

Kelda Eurobond Co Limited includes the Company in its consolidated financial statements. The consolidated financial statements of Kelda Eurobond Co Limited are prepared in accordance with International Financial Reporting Standards and are available to the public and may be obtained from Western House, Halifax Road, Bradford, BD6 2SZ.

In these financial statements, the company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- a Cash Flow Statement and related notes;
- Comparative period reconciliations for share capital and tangible fixed assets;
- Disclosures in respect of transactions with wholly owned subsidiaries;
- The effects of new but not yet effective IFRSs;
- Disclosures in respect of the compensation of Key Management Personnel.

As the consolidated financial statements of Kelda Eurobond Co Limited include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures.

- The disclosures required by IFRS 7 and IFRS 13 regarding financial instrument disclosures have not been provided apart from those which are relevant for the financial instruments which are held at fair value and are not either held as part of trading portfolio or derivatives.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements and in preparing an opening FRS 101 balance sheet at 1 April 2013 for the purposes of the transition to FRS 101.

Judgements made by the directors, in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are discussed in note 14.

Notes *(continued)*

1 Accounting policies *(continued)*

Measurement convention

The financial statements are prepared on a going concern basis, under the historical cost convention.

Classification of financial instruments issued by the Company

Following the adoption of IAS 32, financial instruments issued by the Company are treated as equity only to the extent that they meet the following two conditions:

- (a) they include no contractual obligations upon the company to deliver cash or other financial assets or to exchange financial assets or financial liabilities with another party under conditions that are potentially unfavourable to the company; and
- (b) where the instrument will or may be settled in the company's own equity instruments, it is either a non-derivative that includes no obligation to deliver a variable number of the company's own equity instruments or is a derivative that will be settled by the company exchanging a fixed amount of cash or other financial assets for a fixed number of its own equity instruments.

To the extent that this definition is not met, the proceeds of issue are classified as a financial liability. Where the instrument so classified takes the legal form of the company's own shares, the amounts presented in these financial statements for called up share capital and share premium account exclude amounts in relation to those shares.

Non-derivative financial instruments

Non-derivative financial instruments comprise investments in equity and debt securities, trade and other debtors, cash and cash equivalents, loans and borrowings, and trade and other creditors.

Trade and other debtors

Trade and other debtors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses.

Trade and other creditors

Trade and other creditors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method.

Interest-bearing borrowings

Interest-bearing borrowings are recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest method, less any impairment losses.

Going concern

The directors believe that preparing the financial statements on the going concern basis is appropriate due to the continued financial support of the parent company Kelda Group Limited. The directors have received confirmation that Kelda Group Limited intend to support the company for at least one year after these financial statements are signed.

Notes *(continued)*

1 Accounting policies *(continued)*

Impairment excluding stocks and deferred tax assets

Financial assets (including trade and other debtors)

A financial asset not carried at fair value through profit or loss is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. For financial instruments measured at cost less impairment an impairment is calculated as the difference between its carrying amount and the best estimate of the amount that the Company would receive for the asset if it were to be sold at the reporting date. Interest on the impaired asset continues to be recognised through the unwinding of the discount. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through profit or loss.

Non-financial assets

The carrying amounts of the Company's non-financial assets, other than deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

In respect of other assets, impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

Expenses

Interest receivable and Interest payable

Interest payable and similar charges include interest payable, finance charges on shares classified as liabilities and finance leases recognised in profit or loss using the effective interest method, unwinding of the discount on provisions. Other interest receivable and similar income include interest receivable on funds invested.

Interest income and interest payable is recognised in profit or loss as it accrues, using the effective interest method. Dividend income is recognised in the profit and loss account on the date the entity's right to receive payments is established.

Notes *(continued)*

1 Accounting policies *(continued)*

Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive loss, in which case it is recognised directly in equity or other comprehensive loss.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The following temporary differences are not provided for: the initial recognition of assets or liabilities that affect neither accounting nor taxable profit other than in a business combination, and differences relating to investments in subsidiaries to the extent that they will probably not reverse in the foreseeable future. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the balance sheet date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

2 Expenses and auditors' remuneration

Auditors' remuneration has been borne by Kelda Group Limited.

3 Directors' remuneration

The directors did not receive any emoluments in respect of their services to Kelda Finance (No. 3) PLC (2014: £nil).

4 Staff numbers and costs

The company did not have any employees during the year ended 31 March 2015 (2014: nil).

5 Other interest receivable and similar income

	2015	2014
	£'000	£'000
Interest income on unimpaired financial assets	11,509	11,416
Total interest income on financial assets not at fair value through profit or loss	11,509	11,416
Total interest receivable and similar income	11,509	11,416

Notes (continued)

6 Interest payable and similar charges

	2015	2014
	£'000	£'000
Total interest expense on financial liabilities measured at amortised cost	11,500	11,500
Amortisation of issue costs	489	461
	<hr/>	<hr/>
Total other interest payable and similar charges	11,989	11,961
	<hr/> <hr/>	<hr/> <hr/>

Interest payable and similar charges includes interest payable and similar on bank loans and overdrafts of £nil (2014: £nil) and on all other loans of £11,989,000 (2014:£11,961,000). Of the above amount £nil (2014:£nil) was payable to group undertakings.

7 Taxation

There is no tax charge for the year on loss on ordinary activities (2014: £nil). The tax for the year is higher (2014: higher) than the standard rate of corporation tax in the UK of 21% (2014: 23%). The differences are explained below:

Reconciliation of effective tax rate

	2015	2014
	£'000	£'000
Loss for the financial year	(521)	(566)
	<hr/>	<hr/>
Loss excluding taxation	(521)	(566)
Tax using the UK corporation tax rate of 21% (2014: 23%)	(109)	(130)
Group relief not paid for	109	130
	<hr/>	<hr/>
Total tax expense included in profit and loss	-	-
	<hr/> <hr/>	<hr/> <hr/>

The Finance Act 2013 introduced a reduction in the rate of corporation tax from 23% to 21% from 1 April 2014 and from 21% to 20% from 1 April 2015. These rates were substantively enacted on 2 July 2013 and, therefore, are included in these financial statements.

8 Debtors

	2015	2014
	£'000	£'000
Amounts owed by group undertakings	198,890	198,881
	<hr/>	<hr/>
	198,890	198,881
	<hr/>	<hr/>
Due within one year	1,390	1,381
Due after more than one year	197,500	197,500
	<hr/> <hr/>	<hr/> <hr/>

Amounts owed by group undertakings due within one year are unsecured, interest-free and payable on demand. Amounts owed by group undertakings due after more than one year carry interest at 5.75% and are repayable in one instalment on 17 February 2020.

Notes (continued)

9 Creditors: amounts falling due within one year

	2015 £'000	2014 £'000
Trade creditors	4	20
Amounts owed to group undertakings	1,446	1,389
Other creditors	1,466	1,466
	2,916	2,875

Amounts owed to group undertakings are unsecured, interest-free and payable on demand.

10 Creditors: amounts falling due after more than one year

This note provides information about the contractual terms of the Company's interest-bearing loans and borrowings, which are measured at amortised cost.

	2015 £'000	2014 £'000
Creditors falling due more than one year		
Guaranteed bond	197,146	196,657
	197,146	196,657

Included in creditors falling due after more than one year are amounts repayable after five years by instalments and otherwise than by instalments of £nil (2014:£nil) and £nil (2014:£196,657) respectively. Borrowings are secured by group undertakings.

Terms and debt repayment schedule

	Currency	Nominal interest rate	Year of maturity	Face value 2015 £'000	Carrying amount 2015 £'000	Face value 2014 £'000	Carrying amount 2014 £'000
Guaranteed bond	GBP	5.75%	2020	200,000	197,146	200,000	196,657
				200,000	197,146	200,000	196,657

Notes *(continued)*

11 Called-up share capital

Share capital

	2015	2014
	£'000	£'000
<i>Allotted, called up and part paid</i>		
50,000 (2014: 50,000) Ordinary shares at £1 each (2014 at £1 each) - 25% paid up on incorporation	12	12
	12	12
Shares classified in shareholders' deficit	12	12
	12	12

The holders of ordinary shares are entitled to receive dividends as declared from time to time and are entitled to one vote per share at meetings of the Company.

12 Financial instruments

12 (a) Fair values of financial instruments

The table below analyses financial instruments, into a fair value hierarchy based on the valuation technique used to determine fair value.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3: inputs for the assets or liability that are not based on observable market data (unobservable inputs).

The fair values of all financial assets and financial liabilities by class together with their carrying amounts shown in the balance sheet are as follows:

Notes (continued)

12 Financial instruments (continued)

	Carrying value 2015 £'000	Fair value 2015 £'000	Level 1 2015 £'000	Level 2 2015 £'000	Carrying value 2014 £'000	Fair value 2014 £'000	Level 1 2014 £'000	Level 2 2014 £'000
Financial liabilities measured at amortised cost								
Guaranteed bond 5.75% £200.0m 2020	197,146	212,000	212,000	-	196,657	203,750	203,750	-
Total financial liabilities measured at amortised cost	197,146	212,000	212,000	-	196,657	203,750	203,750	-
Total financial instruments	197,146	212,000	212,000	-	196,657	203,750	203,750	-

Financial assets or liabilities measured at amortised costs and whose carrying value are a reasonable approximation of fair value have not been disclosed in the fair value hierarchy above as there is no requirement to do so.

12 (b) Credit risk

Financial risk management

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities.

Maximum exposure relating to financial assets is represented by carrying value as at the balance sheet date.

12 (c) Liquidity risk

Financial risk management

Liquidity risk is the risk that the Group will not have the level of liquid funding available to meet its requirements. Maintaining an inadequate amount of liquidity and being unable to access the debt markets when required exposes the Group to the risk of being unable to finance its functions, whilst maintaining excess liquidity potentially exposes the Group to the risk of inefficient funding costs.

The Group looks to manage its liquidity by ensuring debt is held with a range of durations and the maturity profile is actively managed by the Group's treasury function. Existing bank covenants require the Group to keep a combination of available cash and banking facilities sufficient to cover anticipated capital expenditure, operating costs and interest costs for the succeeding 12 months. This is a rolling requirement. The Group extend the requirement to cover all other future outgoings. Further facilities are not expected to be required within the next year to comply with the above policy.

Notes (continued)

12 Financial instruments (continued)

12 (c) Liquidity risk (continued)

The following are the contractual maturities of financial liabilities, including estimated interest payments and excluding the effect of netting agreements:

	2015					Carrying amount £'000	2014					
	Contractual cash flows £'000	1 year or less £'000	1 to <2years £'000	2 to <5years £'000	5years and over £'000		Contractual cash flows £'000	1 year or less £'000	1 to <2years £'000	2 to <5years £'000	5years and over £'000	
Non-derivative financial liabilities

Notes (continued)

12 Financial instruments (continued)

12 (d) Market risk

Financial risk management

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments

Borrowings have a fixed interest rate and are held in sterling and therefore there is no interest rate risk due to market changes or currency risk.

Market risk - Interest rate risk

Profile

At the balance sheet date the interest rate profile of the Company's interest-bearing financial instruments was:

	2015	2014
	£'000	£'000
Fixed rate instruments		
Financial liabilities	197,146	196,657
	197,146	196,657

Fixed rate instruments include borrowings which have a fixed interest rate through to maturity.

12 (e) Capital management

The Company's objectives when managing capital are to safeguard the company's ability to continue as a going concern in order to provide benefits to stakeholders, returns to owners and to maintain an optimal capital structure. In order to do this, the Company will consider the amount of debt and assets held and their liquidity.

13 Ultimate parent company and parent company of larger group

The Company is a subsidiary undertaking of Kelda Holdings Limited which is the ultimate parent company incorporated in Jersey. The ultimate controlling party is Kelda Holdings Limited.

The largest UK group in which the results of the Company are consolidated is that headed by Kelda Eurobond Co Limited, incorporated in England and Wales. The smallest group in which they are consolidated is that headed by Kelda Finance (No. 1) Limited, incorporated in England and Wales. The consolidated financial statements of these groups are available to the public and may be obtained from the Company Secretary, Kelda Eurobond Co Limited, Western House, Halifax Road, Bradford, BD6 2SZ.

14 Accounting estimates and judgements

The preparation of financial statements with FRS101 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. There were no such areas of judgement or uncertainty deemed significant in these financial statements.

15 Explanation of transition to FRS 101 from Adopted IFRS

As stated in note 1, these are the Company's first financial statements prepared in accordance with FRS 101.

The accounting policies set out in note 1 have been applied in preparing the financial statements for the year ended 31 March 2015 and the comparative information presented in these financial statements for the year ended 31 March 2014. The date of transition was 1 April 2013.

In preparing its FRS 101 balance sheet, the Company has not adjusted amounts reported previously in financial statements prepared in accordance with its old basis of accounting (IFRS).
